

JACK LEASON

Media Production BA (Hons)

SUMMARY

Versatile freelance videographer, photographer and editor based in Brighton and Sussex specialising in sport, VFX and documentary. I have hands-on experience ranging from high intensity live sports broadcasting to intricate 3D and live action VFX integration. Dedicated to managing the full production pipeline to create engaging visual content for clients.

EXPERIENCE

Freelance Photography (March 2026 - Present)

- Working with Sussex County Cricket Club's commercial team to deliver high quality photography for their corporate events.
- Providing attendees and the cricket club with photos showcasing the events.
- Worked in tricky lighting conditions to deliver high-quality photos.

Freelance Videography (Jan 2024 - Present)

- Producing high quality visual content across sports, documentary, promotional videos and VFX.
- Working through all stages of production from client liaison to final delivery.
- Experienced in high pressure environments such as live sports broadcasting and experienced in meeting tight deadlines.

Work Placement - Creative Technology (Jan 2025 - Feb 2025)

- Collaborated with the Media and Vision team to deliver complex AV solutions for high profile global clients such as LIV Golf and Cisco Live.
- Gained direct exposure to the high pressure environment of media delivery and live sports.
- Demonstrated rapid learning by quickly adapting to new software and technical procedures needed for the execution of large scale events.

EDUCATION

University of Brighton - Media Production BA (Hons) 2023-2026

- TV Production - created a multi-camera factual TV production in a group of 20 people that was filmed as if live. Tried out every role including vision mixing, camera operation, and teleprompt operator. Assisted in setup of the studio with effective lighting and camera positioning. (Grade A)
- Promotional Video Production - created a music video for a live client, keeping to specifications and liaising with them for feedback. Used Premiere Pro to colour and edit the music video. (Grade A+).

Salford City College - Diploma of Higher Education in Digital Media 2021-2023

- Grade D*D*D
